

## Have you got your wages insured?

Your biggest asset is your ability to earn an income.  
Without an income then the rest just falls into a heap?

- 1) How would you pay your mortgage or rent if your income stopped today?
- 2) How would you meet your other daily expense commitments?
- 3) What savings do you have if your income stopped so you can self-insure?

As part of our financial review we offer all of our clients the opportunity to consider Income Protection Or check that what they may already have is adequate & suitable for their current & future financial needs
